# PCAP TILE

### BEST WAY TO COLLABORATE

Make collaboration part of your day. Share moments and ideas with others on a canvas that is as big as your vision.

### ENGAGING

TILE reimagines the experience so that you can unlock the power of the group. Share content effortlessly and spend your time connecting to people rather than technology.

### DESIGNED FOR MODERN WORKPLACES & LOBBIES

TILE integrates beautifully into the modern workplace, enabling productivity in any space where people come together to get things done. The fully integrated design, and flexible mounting configurations - LANDSCAPE, PORTRAIT and TABLE modes - makes this the solution for your needs.
