

PROTECTIVE SOLUTION

86" Integrated Protective Solution

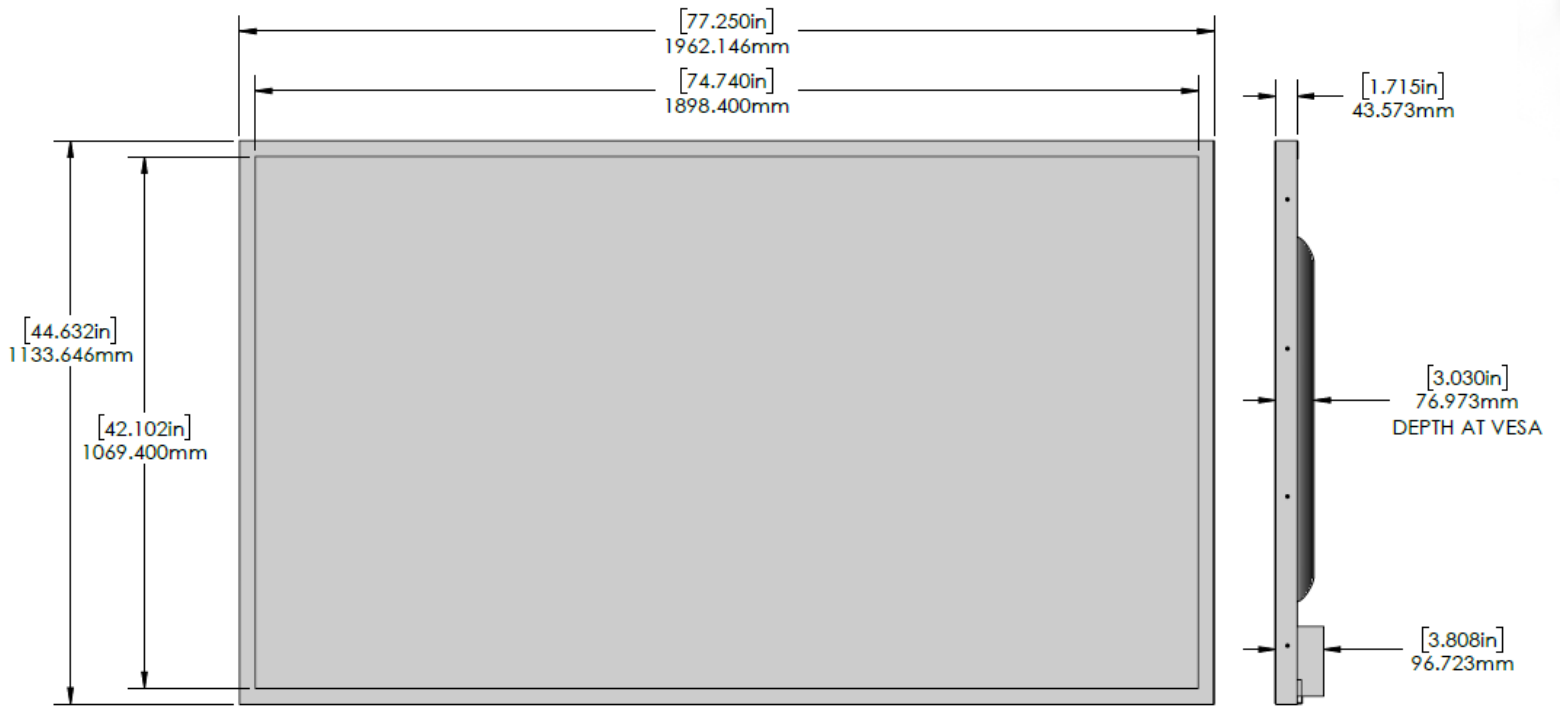

TSI Touch's protective solution for Sharp/ NEC®'s 86" CQ/VQ series monitors consists of a fully custom steel chassis, integrated with clear cover glass, providing increased durability and protection to the display.

This protection is not limited to accidental impacts, but also serves to protect the display from frequent cleanings. Our protective solutions are designed to blend in with our touch interactive solutions, allowing for a consistent look and feel
