

## NEC V552 55" Touch Screen Overlay

# NEC

### Advanced Interactive Collaboration Solution

TSitouch's line of projected capacitive touch displays are engineered specifically for consumer and commercial customers who are looking for a rugged and durable touch screen without having to sacrifice on image quality. Featuring a seamless flat front bezel design, the monitor can easily be wiped clean, thereby eliminating having to worry about dust and dirt collection, which helps extend the use of your display and enhances your touch experience.

**Multi-Touch Screen**  
 True multi-touch support with up to eighty simultaneous touch points for all major operating systems

**Easy Integration**  
 Unrivalled simplicity makes installation easier and faster

**Ultra-Fast Response Time**  
 Allows for split second reactions between touch point and screen

**HID Compliant**  
 Maximum compatibility with numerous operating systems, plug-and-play

**Superior Design**  
 Zero bezel flat front, anti-glare touch screen, excellent optical performance

**Easy to Clean**  
 Water and dust resistant

### Specifications
