

# Samsung QM65F 65" Projected Capacitive Touch Screen Solution

Samsung Authorized Solution

## Advanced Interactive Collaboration Solution

TSitouch's line of projected capacitive touch displays are engineered specifically for consumer and commercial customers who are looking for a rugged and durable touch screen without having to sacrifice on image quality. Featuring a seamless flat front bezel design, the monitor can easily be wiped clean, thereby eliminating having to worry about dust and dirt collection, which helps extend the use of your display and enhances your touch experience.

### Multi-Touch Screen

True multi-touch support with up to eighty simultaneous touch points for all major operating systems

### Easy Integration

Unrivaled simplicity makes installation easier and faster

### Ultra-Fast Response Time

Allows for split second reactions between touch point and screen

### HID Compliant

Maximum compatibility with numerous operating systems, plug-and-play

### Superior Design

Zero bezel flat front, anti-glare touch screen, excellent optical performance

### Easy to Clean

Water and dust resistant

## Specifications
