

## NEC 55" Integrated Touch Screen

# NEC

### Advanced Interactive Collaboration Solution

ShadowSense™ based solutions which allow for unparalleled performance when compared to any other interactive technology. Features such as superior palm rejection algorithms combined with the ability to accurately detect shape and size of touch objects create a user experience that is unrivaled in the marketplace. These features allow ShadowSense™ solutions to accurately detect the touching objects such as a pen/stylus, user's fingers, palm, or a special eraser, and report this data to the operating system.

**Multi-Touch Screen**  
 True multi-touch support with up to ten simultaneous touch points for all major operating systems

**Easy Integration**  
 Unrivaled simplicity makes installation easier and faster

**Ultra-Fast Response Time**  
 Allows for split second reactions between touch point and screen

**HID Compliant**  
 Maximum compatibility with numerous operating systems, plug-and-play

**Superior Design**  
 Full steel chassis combined with anti-reflective tempered glass provides additional protection to the LCD panel

**Sunlight Immune**  
 Enhanced filtering and analogue sensors allow operation in bright conditions up to full sunlight

### Specifications

|                                      |   |
|--------------------------------------|---|
| Display Compatible                   | NEC P553                                    |
| Part Number                          | TSI-P553-10BAIARB                           |
| Protective Glass                     | 1/8" Anti-Reflective Tempered Safety Glass  |
| Frame Material                       | Black Powder Coated Cold Rolled Steel       |
| Touch Technology                     | ShadowSense                                 |
| Touch Points                         | 10 Point                                    |
| Response Time                        | 6 - 16ms                                    |
| Touch Accuracy                       | +/- 2mm (Over 99% Area)                     |
| Interface                            | Type A USB/M                                |
| Communication                        | USB 2.0                                     |
| Power Supply Mode                    | USB   |
| Width/Height/Depth Including Monitor | 50.47" x 30.39" x 3.31"                     |
| Weight (With Monitor)                | 89.29 lbs                                   |
| Boxed Weight                         | TBD   |
| Boxed Dimensions                     | TBD   |
| OS Support                           | Windows, Google Chrome, Android, Mac, Linux |
