

## Philips 86" UHD Protective Solution

# PHILIPS

### Protective Solution

The TSI Touch Protective Solution is a cold rolled steel chassis integrated with tempered cover glass, which increases durability and optical clarity, while protecting the display. The protective solution creates a shield capable of withstanding strong outside force and preserves the life of the display.

**Superior Design**  
 Cold rolled steel chassis combined with tempered glass provides additional protection to the LCD panel

**Easy Integration**  
 Unrivaled simplicity makes installation easier and faster

**Tempered Glass**  
 In the event of a glass failure, tempered glass breaks down into pebbles rather than shards, leaving a minimal safety hazard

**Easy to Clean**  
 Water and dust resistant

**Customizable**  
 Custom colors and silk screening available

### Specifications

Display Models	86BBDL4150D
Touch Screen (Display Not Included)	TSI86NPQEZNCZZ
86BBDL4150D Integrated Touch Screen (Display Included)	TSI86PPQEZNCZZ
Protective Glass	3/16" Clear Tempered Cover Glass
Structure Material	Black Powder Coated Cold Rolled Steel
Touch Technology	N/A
Touch Points	N/A
Response Time	N/A
Touch Accuracy	N/A
